STILL NEEDED: PEOPLE WILLING TO BE A PART OF OUR TUTORIAL SCHOOL AS TEACHERS OF ENGLISH. WE WILL TRAIN !!!

## *Trip to Myanmar*

Kelly traveled to Northeast Myanmar this month to visit the work there. A new church building is being constructed in Tachilek which is in the heart of the Golden Triangle, across the border from Thailand. In spite of occasional opposition and trouble from some drug lords, the work continues to grow. Some of our pastors who have ventured across the border to start churches in Laos have been arrested. Some have been released and we are working to have the rest released as well. Please keep them in prayer.

## ✧ English Camp July 2009 ✧

This was our most successful camp ever. Over 14 people were saved and six baptized.

Many more are coming to church. Almost every week someone from the camp is getting saved. We will be having another baptism service at the end of the month. The most surprising thing is that many of them are men! We have a growing men's movement in the church and have planned a men's camp for August.

Matthew, Nave, Christopher

We spent three days and two nights along the beach in Rayong, Thailand. A team from Hope Chapel Lifespring in Honolulu came to help with teaching, dance, hula and fellowship. Pastor Rob and his team were a big help.

**The highlight of the camp was a prom, where the foreigners taught the proper way to ask a girl out on a date or to dance.** We also taught swing dance, line dancing and ballroom dancing.

Matthew, on his summer break from college, was sponsored by Lifespring church to come with the team as an interpreter. So, the whole family was together again for the camp.

## Giving

In the past funds for Foursquare Missions were sent to Bank of America and personnel there deposited and directed money to the field. Afterwards, FMI was notified and then we on the field were notified. Gene Uhrich and the FMI staff have rectified this situation and now funds for mission will be processed directly by the FMI staff to make sure money gets to where it is designated. You can now send your support to the following address:

FMI

## Prayer Requests

1. Pray for Kelly's new book to be edited and completed soon. The title is [A Snake in the Kitchen, The first 10 years in Thailand](#).
2. Kelly's computer crashed and Angie purchase a Mac for him while visiting her father in Hawaii this summer. He is still trying to figure out how it works. We also lost many of our email addresses when the computer crashed. If you know someone who would like to get our newsletter, please let us know.
3. Please pray for our language teachers by name: Evan, Andy, Tina, Michel-lyn, Chris, Angela and Sarah. Also helping us to teach part time are Kelly and Christopher. Pray that our teachers would develop friendships quickly and be effective in sharing the gospel of Jesus Christ. Pray that these "seekers" and new believers can be discipled in the Thai church.
4. Pray that God would raise up new leaders so that we can follow through with our plan to plant more churches in Bangkok.
5. Pray for the funds to come in to continue operation of our five homes for Children at Risk, our School for Refugee children and our home for women rescued from human trafficking. We are also starting a foundation for our Bangkok slum kids ministry. We want to be able to provide funds for these children to continue their education. Some are now doing job training and earning money at our new restaurant and coffee shop.
6. Pray for our new Hair Salon. We just opened a new salon in the Bangkok church building.
7. Continue to pray for everyone's health. Also pray for our continued protection, especially as we travel.
